ITT Terms and Conditions – version 1.04 (amendments/additions)

Due to some confusion on certain points in the ITT Terms and Conditions, the following amendments have been made:

- 1.c. Current general information, about accommodation possibilities for example, related to this swimming tournament can be found on our website:
<http://itt.psvzwemmen.nl>
Any queries or comments can be sent to: itt-committee@outlook.com
(not as previously stated: itt@psvzwemmen.nl)
- 4.b. To keep the length of each session to a maximum, **placement of swimmers will stop once the events are full. Placement will be carried out on a “first come first served” / “full is full” principle.** Swimmers and teams whose entries are received first will be placed first. Clubs will be informed 3-4 days after their entries are received, as to whether swimmers have been placed or not.
(not as previously stated: “..only the fastest swimmers per event number will be placed.”)
- 4.k. **It should be noted that the I.T.T. is an official competition for individual performance, but with added team elements. It is possible to enter swimmers for individual races.** The team finale on Sunday afternoon is exclusively for teams who meet the requirements (each team consists a minimum of 10 and maximum of 12 swimmers. The ratio of Juniors 1-2:Juniors 3-4:Youth 1-2, is 1:1:1. The ratio girls:boys is 1:1).
- 4.l. All swimmers must be within the age category: Junior 1-4 and/or Youth 1-2, according to the KNZB age conditions for season 2019-2020. **See the table on the following page:**
